A special thank you to the restaurant staff who were very helpful and accommodating throughout the day and gave excellent service. We were happy to see them still smiling at the end of the day. Jonathan and his team including the waitresses and the barman were really great. I would also like to thank you Shiksha for organising everything. YOUR VISION, OUR PASSION!

Hi! I'm Shiksha and I love a good event.

Not just the pretty details (though I love those too!). Think of me as your planning partner, someone who listens, solves, and adds a little fun along the way. Since 2022, I've helped many guests enjoy their time at Ferney and I would love to do the same for you.
